CAREER OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

PROJECTS

AUTOMATED CHEQUE PROCESSING

The bank employees spent time on processing the manual cheque daily and it is time consuming. Anyone can handle this issue very easily and in a time efficient way. An AUTOMATED CHEQUE PROCESSING system is proposed to process the cheque automatically so that it eliminates human effort. It avoids human effort and improve the efficiency of employees working time.

BOOKING WITHOUT APP

Transportation booking without a mobile app is a web application, which is created to book any mode of transport at ease without the burden of installing an extra app on mobile. Now, there is no need to physically go to the transporter's office and stand in a queue to wait for your turn to book your travel
